It's All About You

August 2010

Young Nails australia is proud to be attending the 2010 **Sydney Beauty Expo 4th & 5th of September**, Booth number 3514. We have a exciting new trade show booth enabling more access to view demonstrations and better access to our showcase some of our exiting new products!

We are excited to have two guest Mentors Tracey Boyle from Scotland and Denae Sambrano from Reno, USA demonstrating at the Trade show. Come and check out latest new designs from around the world, we Look forward to seeing you there!

Prior to the Sydney Trade Show all of our Australian Educators will be attending the newly launched Young Nails Australia Annual Educator Training Conference. This will be held over 2 days prior to the Sydney show so all of the crew will up to date on the latest New Classes, Workshops and techniques, including the new Need for Speed Workshop.

To book into any of our Post Sydney Trade show classes contact Therese or Kylie at [info@youngnails.com.au](mailto:info@youngnails.com.au)

We invite you to join is on Facebook (Young Nails Australia), where you can post a question or comment. There will be someone—another tech, a mentor or one of us who will post a reply. In fact, we had a request for a butterfly design and straight up Michelle from Young Nails Regional NSW has put together a STEP BY STEP for it [click here to download](#)

Same goes with Twitter (youngnails1) or bring a bowl of popcorn to our YouTube page (youngnailsinc)

Some of my favourite variations from this design are Liquid Art with Mylar as you base !! Gel colour with glitter pressed in to the colour as your base!! For more info give Therese a call at Head office on 1300 766 121 or email [therese@youngnails.com.au](mailto:therese@youngnails.com.au)

Now you have seen our NEW White Sculpture Gel come and check out how to do REVERSE application using Snow self leveling white gel. The choices you have with Young Nails are endless. Follow the link below to check it out [www.youngnails.com.au/Video.ews](http://www.youngnails.com.au/Video.ews)

**Business Tip:** Bulk Buy and save! Why pay .60c for quality young nails powder when you can get it for .25c per gram. When you buy a 660g powder you are saving more than 58% on your cost of product. Across the range over one year that can save the average tech over \$500 a year on just one of your products! I think that would certainly add some extra joy to your christmas fund!

**Product TIP:** Don't forget when you use Lomasi Scrubs it dissolves with cream or lotion and to Rev it up try some Parrafin over the top for those winter heels !!
