It's All About You

March 2010

Kylie and Therese have released a new Step by Step on White Gel Sculpture Infill [CLICK HERE TO VIEW](#) this is great time saving technique .

Block Party Kit is available in 30g Sizes the price if these are \$29.95

These are a NEW kit that are pre mixed Glitters and Powders. Great for taking the guess work out of what colours to combine. The colours to this collection are Pool, Mixer, Rave, Birthday, Surprise, Fiesta, Masquerade and Shindig - a sure time saver!

We are pleased to members to our team of distributors and training facilities ProNail Essentials in Perth and Advanced Nail and Beauty Supplies Norwood (Adelaide). With new Distributors Brisbane and Melbourne coming soon ...

We have 5 NEW Educators/Mentors joined our team. Alison and Sarah from WA. Chelsea and Renata from VIC. Cassandra from QLD. These girls visted to Gold Coast to do the education training series. Its is our pleasure to have great talent on our Team of educators.

Young Nails Australia will be at Salon Melbourne 2010. Salon Melbourne is being held at Melbourne Convention Centre 17th and 18th of April 2010. Look out for our **Stand 3222** !! 10 staff members will be ther to help you will any question and carry out Demonstrations.

Young Nails Australia will also be attending Las Vegas IBS 2010. There are 5 team members for Young Nails attending Kris, Kylie, Therese, Tammie and Sjanie. We will be attending the IBS. and meeting with all other Young Nails Educators and distributors from all over the world. There will be lots of fun had by all, and plenty of new ideas, tips and tricks for us to bring back and share at workshops later in the year.

Did you know that by purchasing Bulk sizes in our products you can save HUGE cash! Eg: you can save 20% on buying 30g Gel as opposed to 15g Gel and 40% saving when buying 60g gels as opposed to 15g Gels. Imagine what you can save over a year !! up to \$432.00 just on Gel by buying larger sizes !!

Thanks to one of our educators ... She has discovered that by curing your PROTEIN BOND for 20 secs in your gel lamp. it can stop lifting on clients that a notorious lifters. It really does work try you will be surprised.

Be sure to Check our the "Out Takes" video on our website of some of Greg's behind the scene bloopers while shooting the Young Nails Video Editorial series.
